This amendment with remarks is submitted in response to an Office Action dated November 28, 2000. Applicant requests reconsideration of the outstanding rejection in view of the following remarks and amendments.

The present amendment introduces no new matter, as support is found throughout the originally filed specification and claims. No new issues requiring further search and/or consideration are raised herein. The amendment places the application in condition for allowance or, in the alternative, the amendment places the application in better form for appeal. Thus, in accordance with 37 C.F.R. §1.116 and as per MPEP §714.12, entry of the amendment is respectfully requested.
